

#### 4. Issuance of Health and Medical Certificate

Medical and Health Certificates are proofs of the status of health of a certain person. These are issued for different purposes like, employment, sickness, medico-legal, good health for food handlers, enrollment, as well as, clearance for joining sports competitions.

All job applicants must secure a health certificate prior employment to ensure that they are physically fit to work in the aforementioned establishments. Medical laboratory results (requirements may vary depending on the type of establishment).

Only Doctors are authorized to sign the Health and Medical Certificates.
